

# Callaghan Country Lodge

Explore the serene beauty of the Solitude Valley for either lunch or overnights. Share in the adventure of skiing through majestic old-growth forests, across powder-filled meadows, past waterfalls and along the shore of frozen Conflict Lake to the sub-alpine seclusion of Callaghan Country Lodge, a well-appointed, full-service backcountry inn offering friendly West-Coast hospitality, unforgettable fine dining and comfortable accommodation for up to 24 guests.

Guests are encouraged to ski the 13.5 km. (7.8 mi.) Mainline / Parkway / Upper Wild Spirits trail system from the base to the lodge. While elite skiers have been known to make it in well under an hour, it takes the average novice skier between 3-4 hours to ski-walk the route. The spectacular vistas of the Powder Mountain Icecap coupled with the sense of accomplishment upon arrival at the lodge make this trip a must! Not to mention, you'll be rewarded with a virtually effortless glide out on the return trip back down to the valley. Ski up for a day, a night, or stay all week!

## Fine Dining in Whistler's Backcountry

Callaghan Country Lodge offers a luscious menu of breakfast, lunch and dinner entrees, all expertly served by our attentive staff. Whether skiing in for a lunch, a candlelight dinner or a special corporate event with snow transportation included, our backcountry dining experience will enrich your Whistler visit.
